To our Terrace High Field Users

I am writing today to ask for your assistance regarding a neighborhood concern. I have been receiving a number of calls from our residential neighbors complaining about excessive noise and explicative language. Unfortunately, this is causing distress. I would like to remind all our community users that your permit requires the management, not only of your players, but of participants, spectators and guests as well. Please distribute this information to your clientele. The District is committed to being a good neighbor at all our properties and would appreciate your compliance with this request. If you have questions or comments, please do not hesitate to contact me at 425 431 7334. Thank you.

Sincerely,

Brian Harding, Director.
